#### PROGRAMME EDUCATIONAL OBJECTIVES (PEO's):

**PEO - 1:** The primary object of the interdisciplinary choice based introductory courses at the UG and PG levels is to create IPR literates by exposing students tooperational concepts in IPR.

**PEO - 2:** The object of the choice based interdisciplinary IPR course for the PhD students drawn from diverse departments of the university is to make them appreciate the nuances of IPR and how it is relevant to them in their research process

#### PROGRAMME OUTCOMES (PO's):

- Have an understanding of the fundamental legal principles relating to confidential information, copyright, patents, designs, trade marks and unfair competition.
- Be able to identify, apply and assess principles of law relating to each of these areas of intellectual property.
- Understand the legal and practical steps needed to ensure that intellectual property rights remain valid and enforceable.
- Be able to demonstrate a capacity to identify, apply and assess ownership rights and marketing protection under intellectual property law as applicable to information, ideas, new products and product marketing.
- Understand current and emerging issues relating to the intellectual property protection, including those relating to indigenous knowledge or culture, information technology especially the distribution of material on the internet, biotechnology and international trade.
- Be able to anticipate and subject to critical analysis arguments relating to the development and reform of intellectual property right institutions and their likely impact on creativity and innovation.
