KITS organizes and participates in various extension activities with a dual objective of not only sensitizing students about various social issues but also contribute to community and strengthen community participation. The NSS college units take part in various initiatives like organizing camps, Swachh Bharat initiatives, blood donation camps, awareness programmes on AIDS prevention, Suicides prevention etc. The College also has SAC (STUDENT ACTIVITY CELL) a student's based ALUMINI which has diversified activities base like working with Orphanages, environmental issues etc., by involving youth. There is also a MOU with local organizations through which a Course in SAC is offered. This joint venture encourages and facilitates various extension programmes. Events like World Consumers Rights Day, International **YOGA** Day, see large participation of the students who take up activities in collaboration with other agencies/ SAC to spread awareness. Awareness about Consumers' rights and duties is significant in the process of economic development of the country. India is the birth place of **YOGA** and by participating in International **YOGA** day students become global stakeholders in ensuring healthy body and mind. As is well known that Khadi is associated with India's Independence movement and also Mahatma Gandhi, students become aware and spread awareness of not only about the usage of Khadi but also get inspired by how Khadi became synonymous with India's independence. Programmes like 'Save our Lakes', tree plantation drive in collaboration with Council for Green Revolution, encouraging clay Ganesha idols during Ganesh Chaturthi festival have been taken up as part of environment consciousness and encouraging the community to initiate steps in this regard. Blood donation camps in the College area regular feature (twice a year) whereby students and staff donate blood for the cause. The camps facilitate blood drawn up to 150-200 units which is sent to TALASAMIYA Diseases, Government hospital and Telangana State Government Blood bank.

Participation in NSS Day Celebrations in college campus, Adoption of Village, Anti-Tobacco rally, Peace Rally, WOW (Wealth out of Waste) connects students with the larger social issues in the community and makes them socially responsible sensitive and thus facilitates in the holistic development
