#### **4.3.1 Institution frequently updates its IT facilities including Wi-Fi**

There are different digital technological facilities available in the college. There are 02- smart classrooms, 01-smart lab and 01-digitally equipped conference hall. The up gradation work of another laboratory (ENGLISH LANGUAGE LABORATORY) is also updated infrastructure. A well equipped computer lab is also functioning in the college. The students of the college are access to the computer lab. The building and the MV building are facilitated with the Wi-Fi connectivity. There is open access of Wi-Fi connectivity to all student and the staff members of the college. All the departments of the college are provided with computer and other related accessories. All teaching staff member use the ICT in the classrooms and laboratories, whenever needed. The different educational sites are shown to the students with the help of digital device.

Most of the official work is being done with the help of ICT. The college regularly maintains the IT facilities. Following are some basic facilities for updating:

Computer is formatted in regular basis.

College itself formats the computer without no fees and by the help of computer operator. Anti-virus is regularly installed in computer. All computers has anti-virus

Wi-Fi connectivity is available as mentioned in 4.1.1, *i.e.*, in Principal chamber, Office-room, IQAC room, various departments including MBA, library and laboratories.

CCTV is installed in every Main corridor.
